

The Months

By Molly Green

Introduction

Let's start off by watching
some videos about the months
of the year!

We are going to talk about the different months of
the year and events that take place in different
months!

Videos

But first a little introduction of me!

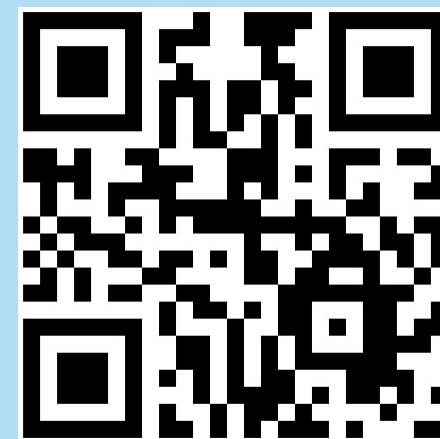

Apps

Now we are going to explore
some apps to help you learn
the months of the year

Audio

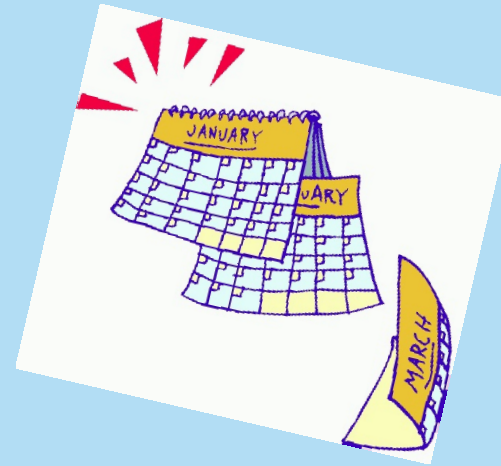

Let's learn some
more about the
months!

Websites

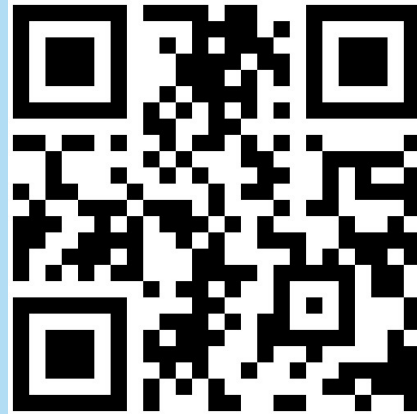

Check out these websites to learn more about the months and apply your knowledge!

Questions

Try to answer each question and then use the QR code to see if you were correct!

What is the first month of the year?

What is the last month of the year?

Which month only has 28 days?

In what month do we celebrate Thanksgiving?

Joke time!

If April showers bring May flowers, what do May flowers bring?
